

Annual Report 2016

Responding to the rising rate of infant mortality in the Mexican community of Houston, Monsignor George T. Walsh of Annunciation Catholic Church appealed to the Charity Guild of Catholic Women to establish a free clinic to serve the health needs of the poor.

caring for our community since

1922

From these humble beginnings, San José Clinic has grown into a health home for thousands of Houstonians in need. Ninety-four years later, we proudly uphold the legacy of our founders by continuing to provide healthcare for those who need it most.

From our Spiritual Leader

Daniel Cardinal DiNardo, STL

Dear Brothers and Sisters in Christ,

This year the San José Clinic enters its 95th year of service as it continues to provide a safe haven and a health-home for the underserved and uninsured. By serving more than 4,000 of the most vulnerable Houstonians each year, the Clinic fulfills a vital need in our community every day.

In the words of our holy father, Pope Francis, “The credibility of a healthcare system is not measured solely by efficiency, but above all by the attention and love given to the person, whose life is always sacred and inviolable.” Truly, by this standard, San José Clinic has credibility beyond reproach, as it works to heal and support those in our community who would not otherwise have access to the care they need. Each day, the volunteers and staff of the Clinic deliver quality healthcare with dignity, respect, and kindness to those in need.

Since the Clinic’s humble beginnings in 1922, the determination and hard work of our dedicated community and generous benefactors has been essential and inspiring. I am personally grateful for each person who has given generously of their time, treasure, and talent, including more than 800 volunteers and 450 donors who are vital supporters of the Clinic’s mission.

As we quickly move towards San José Clinic’s 100-year anniversary, I hope you will join me in praying that God will bless all who enter the doors of San José Clinic, whether in need or in service. With your support, I am certain that the Clinic’s legacy of caring and compassion for the underserved will only continue to grow.

Sincerely Yours in Christ,

+ *Daniel Cardinal DiNardo*

From our President & CEO

Paule Anne Lewis

Dear Friends,

For more than ninety years, San José Clinic has been dedicated to serving our community by providing healthcare for the uninsured and uninsurable. Every day, respect for the dignity of every person is the cornerstone of our work and mission. The Clinic is dedicated to ensuring those who face economic and social challenges are not denied the right to quality healthcare.

Nearly 60% of low-income adults in Harris County lack insurance, so the need for the care and ministry we provide is truly great. In the past year, San José Clinic welcomed more than 4,000 patients, providing over 35,000 visits in our medical, dental, and pharmacy departments. This tremendous impact is made possible by the dedication of our collaborative partners, academic affiliates, volunteers, and staff.

This report highlights a small portion of what you, as a supporter of the Clinic, helped us accomplish in the past year. Your continued partnership and generosity impact the health of thousands, from individuals to families.

We are so grateful for the hundreds of volunteers, donors, and collaborators like you that keep our mission strong and vital. Your commitment is what propels our mission forward, and I thank you on behalf of those whose lives you have so greatly impacted.

Blessings,

Paule Anne Lewis

The Year in

Art with Heart 2016

*April 16, 2016
at the TMCx*

The ninth annual Art with Heart gala honored the United Way of Greater Houston with the Portrait of Compassion. For over 90 years, the continual support, dedication and resources of the 2016 honoree have helped San José Clinic become the beacon of hope and health for those in need that it is today. Art with Heart 2016 featured auctions of museum-quality artwork, unique adventures throughout Houston's culinary scene and beyond, beautiful jewelry, and live auction items focused on direct patient care.

Series

The Economic, Clinical *and* Social **Impact** of Community Health Examining the San José Clinic Model

On October 27, 2016, San José Clinic held the sixth annual Fall Speaker Series luncheon, a panel discussion exploring the importance, impact, and value of community health. The panel included Dr. Namita Mohta - New England Journal of Medicine - Catalyst; Anne Dunkelberg - Center for Public Policy Priorities; and Dr. Thomas Feeley - Institute for Cancer Care Innovation at The University of Texas MD Anderson Cancer Center. This conversation between healthcare leaders and experts examined the data and determinants behind the need to expand healthcare access for Texans.

From our 2016 Board Chair

Barron Bogatto

Dear Friends,

San José Clinic had a strong and productive 94th year serving Houston in 2016. With the support and dedication of people like you, we continued our mission of providing quality healthcare to the uninsurable and underserved who have limited access to healthcare services.

Great strides were made during the year in expanding and improving efforts throughout the Clinic to better serve our patients and community. 2016 was a year of multi-faceted growth and development for San José Clinic.

The past year has seen many new programs and offerings from the Clinic, including mental health services and diagnostic ultrasounds. We also upgraded our digital imaging technology, exceeded a number of our fundraising goals, and joined the Texas Medical Center.

Our generous donors, hard-working volunteers, dedicated partners, and supportive community are, as always, invaluable for the continued growth and success of San José Clinic.

Thank you for more than 90 years of support as we continue to serve Houston and our surrounding community. Your contributions help change the lives of thousands of individuals and families each year.

With my gratitude,

Barron P. Bogatto

Staff Spotlight: **Estelle Luckenbach**

The Good Samaritan is a monthly employee award, based on nominations from the Clinic staff. Annually, the Clinic administration selects the Good Samaritan of the Year from the 12 monthly winners. This year's recipient - Estelle Luckenbach, Volunteer Services Administrator - has been working at the Clinic for almost 15 years. She was nominated for this award because she is a great team player, always wears a smile, and goes out of her way to help anyone she can.

“After 15 years of service, for many in the community Estelle is San José Clinic.” - Paule Anne Lewis, President and CEO

“Estelle has a deep passion for our mission and is dedicated to doing whatever it takes for San José Clinic to provide healthcare for the uninsured community.”

- Laura John, HR Director

Funding the Mission

The work San José Clinic does is made possible with the support of our generous donors. Our patients are so grateful for the services our donors make possible with their financial and in-kind gifts. Thank you to all of our donors for helping us build a healthier community.

Partner Spotlight: Texas Medical Center

Since 1922, San José Clinic's decades of growth have been supported by partners, including every major healthcare system in the Texas Medical Center, coming together to better serve Houston's growing community. In late 2016, San José Clinic was honored to officially join the prestigious Texas Medical Center as their 58th member institution. Through this opportunity, the Clinic will be able to strengthen our mission and impact, further grow our services and volunteer base, and work to expand capacity and better serve our patients' needs.

*"We look forward to a **strong and enduring relationship** that will benefit the Clinic, the Texas Medical Center community and the larger populace we serve."*

What can I do to help?

Get Involved.

Volunteer - Healthcare providers, institutions of higher learning, church groups, community service organizations, retirees, and community volunteers all work alongside San José Clinic staff to provide an array of services. Join this vital group and utilize your skills and passions to serve those in need.

Donate - San José Clinic receives nearly 90% of our funding from philanthropic sources. Join our financial supporters to help ensure quality care for the uninsured of Houston.

Patient Events - Our patient events, including the Easter Party, Back to School Event and Christmas Party, bring joy to our patients and their families. You can volunteer at the parties, assist with preparations, or financially support these events.

Corporate Engagement - From corporate sponsorship of events to academic partnerships and matching gift programs, there are many ways for companies and corporations to get involved with San José Clinic.

Fundraising Events - San José Clinic has fundraising events throughout the year, including Art with Heart and Fall Speaker Series. These events raise vital operating support and awareness for the Clinic.

Thank You!

Community support is
a vital component of the
Clinic's continued success.

Your dedication and generosity
play a tremendous role in ensuring thousands of
hard-working, uninsured Houstonians receive
quality healthcare each year. As we enter our 95th
year serving our community, we want to thank you
for recognizing the value of providing a respectful,
dignified health home for those in need.

From our humble beginnings
in a small frame house to
the state-of-the-art care we
provide today, the Clinic is
a vital part of the Houston
healthcare and philanthropic
communities.

Today, our ***mission is
to provide quality
healthcare & education
to those with limited
access to such services
in an environment which
respects the dignity
of each person.***
